

01.05.2017 Rückblick Westweg 4. Etappe

Bei kühlem und regnerischem Wetter trafen sich lediglich 4 Skiclubmitglieder an der Skihütte, um unsere 4. Etappe des Westweges anzugehen. Vom Kaltenbronn ging es bei Regenwetter hoch zum Hohlohsee und von dort zum Hohlohturm. Hier ging der Niederschlag bereits in Schnee über. Von dort aus ging es jetzt nur noch bergab Richtung Forbach. Ungefähr eine Viertelstunde nach dem wir den Hohlohturm verlassen hatten, hörte der Regen auf. Über die Prinzenhütte marschierten

wir Richtung Latschigfelsen. Unterwegs legten wir an einer Wanderhütte eine Rast ein. Am Latschigfelsen angekommen verschwand plötzlich auch der Nebel und wir hatten noch eine gute Aussicht auf das Murgtal.
